PUBLIC COMMENTS:

Ms. Florence Daniel commented that she has recently moved to the area from Northern California. She shared her experiences and concerns with GET-A-Lift service. The GET-A-Lift bus shows up really early or too late to make her medical appointments. Sometimes a GET-A-Lift bus comes and her name isn’t on the list, and then she has to wait for another bus to come pick her up. The drivers are always very nice, but the service is bad. The timing needs to be coordinated better.

Mr. Paul Cotton echoed his mother’s concerns. He has called in complaints three times and the situation is still not resolved. When his mother’s GET-A-Lift bus doesn’t arrive at the right time, he has to take time off from his job and take his mother to her appointment. He commented that he would like to be happy with the service, but the service needs to improve.

Director Hunter commented that the Operations Department will get in touch with Mr. Cotton and Ms. Daniel.
