Extreme cold	
Rain	
Poor air quality	
Other: _____	

Please provide us with information on any medication that can affect applicant’s ability to travel.

Medication Type	Dosage	Effect on Functional Ability (if any)

Please read the following before answering the questions below:

GET-A-Lift is a paratransit service for individuals who are not able to utilize the fixed route bus system. Though GET-A-Lift is a curb-to-curb service, riders must still have the physical and cognitive ability to board vehicles with little assistance and manage their own needs or with the help of a personal care attendant traveling with them. Personal care attendants are not provided by Golden Empire Transit but are allowed to travel with rider at no additional cost. GET-A-Lift drivers offer some assistance, their main function is to drive the vehicle to various locations where they may leave the vehicle unattended to assist riders boarding or alighting the vehicle.

Check all that apply in regards to the applicant’s abilities:

- Applicant CAN board, with some assistance, a public transportation vehicle that utilizes a lift for mobility devices
- Applicant CAN be left unattended and unsupervised for an undetermined period of time
- Applicant CAN identify safety risks

- Applicant CAN observe all safety procedures while riding public transportation
- Applicant CAN follow simple one-step instructions
- Applicant CAN make good judgement decisions
- Applicant CAN ride in a vehicle without distracting the driver

Based on the applicants abilities and your response to above questions, CAN the applicant ride public transit without the assistance of a personal care attendant? NO YES

Thank you for your assistance.
